ABOUT OUR COVER

Saga of the Secondaries

Dan Howard

oil on canvas
40" x 40"
2017

The Artist:

Dan Howard, now 90 years of age, has been painting for 60 years. Oil paint has been his choice medium of expression throughout his artistic life.

"He paints semi-realistic paintings that fall between abstraction and representational art. His large canvases display his gestural, swirling style that resembles the works of the Abstract Expressionists. He strives for movement to 'force the eye over the picture plane'; he wants the viewers to see images that do not appear at first glance."
