ABOUT OUR COVER

Outside My Window

Larry Roots
oil on canvas
56" x 70"

The Artist:

The studio is my sanctuary where I turn my back to the world and find my solace in painting. Seeing is my primary language and painting speaks for me with more meaning than any written or spoken words.

I think of the canvas as a window into another reality where the action of paint and the stimulation of color are a joyous symphony. *Outside My Window* is a celebration of life.

Larry Roots is a full time painter and sculptor who resides in Omaha. He is owner/director of Modern Arts Midtown Fine Arts Gallery, shows regionally and nationally, and is included in numerous corporate, public and private collections including The Museum of Nebraska Art and the Sheldon Museum of Art.
